BROKER'S OVERVIEW:

The walkaround deck layout offers safe and easy movement throughout the vessel, with generous social spaces forward and aft. The Mediterrana Edition features premium marine upholstery, an extended bow sunbed, upgraded helm seating, and elegant detailing that creates a more luxurious onboard atmosphere.

Below deck, the forward cabin offers comfortable overnight accommodation for two, with a separate enclosed toilet compartment.

Typical high-specification options include the Gullwing cabin doors, wet bar with refrigerator and sink, bow thruster, Fusion premium audio system, shore power, electric windlass, and extensive canvas and harbour covers.

The Axopar 37 Mediterrana has earned an excellent reputation for combining Scandinavian design, practical functionality, and impressive offshore capability. Strong demand and a loyal owner following have also contributed to excellent resale values, making it one of the most sought-after premium adventure boats in its class.
